PROFESSIONAL SUMMARY

BS Information Technology graduate, Cum Laude, with hands-on experience in IT support, Windows troubleshooting, computer deployment, hardware/software installation, and network diagnostics. Experienced in supporting end-users and resolving hardware, software, connectivity, and office technology issues, with foundational knowledge of Active Directory Domain Services (AD DS) and Microsoft Entra ID, including basic user and group management.

WORK EXPERIENCE

IT SUPPORT INTERN

The Exchange Regency Residence Hotel | Ortigas, Pasig City

| Sep 2025 – Dec 2025

- Provided technical support for hotel guests and staff by troubleshooting Internet, telephone, television, computer, printer, and network-related issues.
- Configured and deployed company computers, performing Windows 11 updates, software installation, and system setup to prepare devices for operational use.
- Assisted in maintaining the hotel's network infrastructure through Wi-Fi troubleshooting, Internet performance monitoring, and basic network diagnostics.

IT INTERN

The Exchange Regency Residence Hotel | Ortigas, Pasig City

| Feb 2025 – Apr 2025

- Conducted cybersecurity awareness orientations for new employees, promoting safe IT practices and data protection.
- Provided technical assistance to hotel staff and supported day-to-day troubleshooting of computer, network, and office equipment issues in a fast-paced hospitality environment.
- Assisted in maintaining office equipment, including printer configuration, telephone line tracing, and PABX-related support.
